

We were glad to introduce ourselves!

Hello! It's our family. We are living in the best city in Russia - in St. Petersburg. We love our city and painted its places on our masks. All people in the world can see our city now.

In this book you could read about masks, about our weekends and hobbies.

Our lovely dog in photo and graphic

My name is Darina. I'm eight. When I was small, I liked sitting in the little box. But now that I'm very big, I study in the 2nd grade and go to dancing school.

I've many friends. We spend our weekends going to parties all together.

Most beautiful and pretty!

My name is Alina. I like drawing and I study in the art school.

Horses are my biggest love!

Art director of Kiboko Projects Mark Scheflen and artist Alevtina Kuzub teach us how to make masks.

It is not easy to make masks!
But we can do it if we do not
speak for 20 minutes.
